

# Learn to Swim Tutors

- **Become a Learn To Swim Tutor and teach a skill for life**
- **You choose the hours, we'll arrange the locations**

The Christchurch City Council's Recreation & Sports Unit provides Christchurch's foremost recreational facilities and plays a leading role in fitness, aquatic and recreation activities.

This is your opportunity to join a team of highly motivated, professional tutors in the delivery of swim education programmes.

We are looking for individuals who have a passion for water safety, learn to swim and enjoy working with children. If you are customer focused and a team player with the ability to motivate others, this is the job for you. Having a qualification and experience in swim teaching is desirable, but not essential, as training will be provided to the successful applicants.

As a Learn to Swim Tutor you will be required to work at any of the CCC Recreation & Sport Centres: Centennial, Jellie Park, Pioneer and QEII Park; or to be part of the exciting new Kiwisport initiative providing lessons at school pools in Christchurch.

We are currently looking for individuals with a desire to work during school hours. Some afternoon, evening and weekend shifts are still available.

If you are passionate about teaching life skills in the water and being involved in fun and educational activities, then we would like to hear from you!

**Note:** Successful applicants must hold a Current First Aid Certificate or obtain this prior to commencement of employment.

**Applications close on Sunday 5 September 2010.**

Apply online at [www.jobs.ccc.govt.nz](http://www.jobs.ccc.govt.nz) alternatively for specific enquiries phone the Christchurch City Council Customer Service Centre on (03) 941 8999. Please quote vacancy number 5280. Online applications will be electronically acknowledged and further correspondence may be by email.
