

# Be River Safe

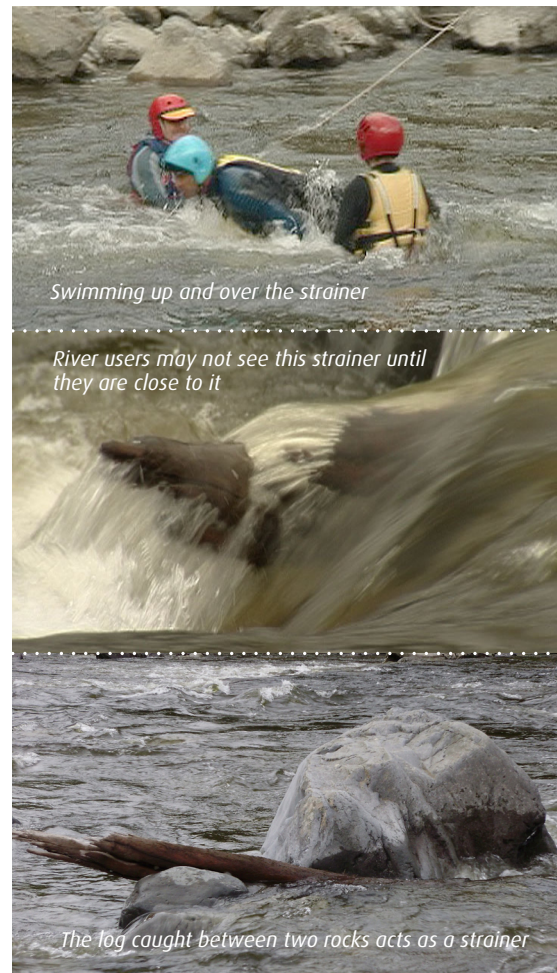

## Strainer Danger

### Activities

#### ACTIVITY:

#### Strainer Danger

- Watch the **Strainer Danger** segment in the **River Safety** section of the **Be River Safe** DVD.
- Work in groups and discuss:
  - what to do if you are in a river and being swept toward a strainer
  - why people do not recognise the dangers strainers present to swimmers, kayakers and other river users
  - why we don't recognise the force of the water in the river
  - what safety precautions the makers of the **Be River Safe** DVD took when they filmed this DVD segment and why they needed to be so safety conscious.

Be River Safe ... *if in doubt STAY OUT*
